Dear Mr. Bekbas,

We herewith inform you that the meeting of the EPSU Executive Committee of 18-19 April 2023 approved your request for affiliation. Assuming its role as European Regional Executive of the PSI, our positive recommendations on your affiliation have been forwarded to the PSI Executive Board, which took place on 29-30 June 2023.

It is with great pleasure that we welcome you very warmly into the EPSU/PSI family of over 265 trade unions. We look forward to a fruitful cooperation. PSI will inform you separately.

For your information we enclose the following documents :
- EPSU Constitution;
- Report of activities 2022.

For further information, please visit our web-site : http://www.epsu.org/

Unions will be expected to pay both the EPSU affiliation fee and the PSI affiliation fee.

We consider you a member organisation as of 1 July 2023. The EPSU affiliation fee will be invoiced to your union from 1st July 2023 onwards. This invoice will be sent to you in the next few days. Please note that PSI will send you a separate invoice.

For the year 2023, the fee is EUR 0,445 per member multiplied by 25 % (GDP index of Kazakhstan). It means that your organisation will have to pay 556,25 EUR (for 10.000 members, for 6 months).

Please do not hesitate to contact us if you want to receive other documents and/or information.

We are looking forward to closely co-operating with your union.
Yours sincerely,

Jan Willem Goudriaan
EPSU General Secretary
